The Impressionist's Eye

April 16–August 18, 2019
Members' Previews: April 12–14

Peer over the shoulder of Claude Monet, Mary Cassatt, Vincent van Gogh, and others as they make their indelible mark on canvas, paper, and bronze. Best known as oil painters, the artists in this tight-knit group actually moved fluidly from one medium to another, supporting and inspiring one another. Don't miss this rare opportunity to see a broad range of Impressionist sculpture, painting, and works on paper shown together.

Yoshitoshi: Spirit and Spectacle

April 16–August 18, 2019
Members' Previews: April 12–14

Discover the brilliant colors and spirited lines of Yoshitoshi, the last great master of the traditional Japanese woodblock print. Ever inventive in his art, he responded to Japan's rapid modernization of the late 1800s with greater expressiveness than seen before. His vivid, dynamic imagery was a forerunner of modern-day manga and anime.

Creating a Legacy

Sonia Triester

Sonia and her late husband, Stan, enjoyed the museum for decades. As Associate members for fifty years, they were deeply committed, especially to K–12 educational programs. When Stan passed away, Sonia and her family decided to honor their connection to the museum with an education-focused special gift to the *It Starts Here* campaign. Sonia has also joined the Fiske Kimball Society by making a provision in her estate plans. Together, this support makes a measurable difference for the museum and the thousands of children who visit each year.

To learn how you can leave your own legacy at the museum, contact Tara Prakash, Planned Giving Officer, at tara.prakash@philamuseum.org or 215-684-7351.
